TalEval - For Dental Programs Clinical Evaluation

[Setup Lists] [Student Data] [Patient Data] [Student Evaluation] [User Setup] [Grade Validation] [Logout]

Welcome to TalEval.com

We highly recommend you learn to use TalEval the way it is set up on your database when you receive it. You do have to enter instructor, student and patient information and maybe change clinic names(semesters). Once you do that you are ready to grade with TalEval.

Setup Lists

- Calculus Level
- Category Sequence

The screenshot displays the TalEval web application interface. At the top, there are browser tabs and a menu bar with options like File, Edit, View, Favorites, Tools, and Help. Below the menu bar is a banner image featuring a clock, a person at a computer, and a person wearing a headset. The main navigation bar is dark blue and contains several menu items: [Setup Lists], [Student Data], [Patient Data], [Student Evaluation], [User Setup], [Grade Validation], and [Logout]. A yellow arrow points from the title 'Click on Setup Lists' to the [Setup Lists] menu item. A dropdown menu is open under [Setup Lists], listing various setup options. A yellow box with the text 'Select "Instructors" from dropdown menu' has a yellow arrow pointing to the 'Instructors' option in the dropdown menu. The user's name 'Cynthia Biro' and a link to 'Schedu' are visible in the top right corner.

Comments:

You only need to enter information in fields with asterisks*

Check boxes indicating what you allow students to access. TalEval does not allow students to change grades given by instructors. They can grade themselves but Student Grade Entry must be "Verified" by an instructor.

IV	0.00	IV	0.00

Update

Clinic 1A is the first 6 weeks of patient treatment for 1st year students. If you have changed this clinic name to i.e. "DEH 101" these point values should be here.

We recommend staying with our existing point values as they are tried and true according to DH skill progression as researched over 10 years.

Update

The requirements must get more demanding as students progress through the clinical education. If you have more than 6 (6-7 week) clinics, use the same point values for 2 successive clinics. For instance a Summer Clinic could be the same as Clinic 1B point values.
